

## Classroom Instructor

We are looking for an experienced, enthusiastic NEC professional who can help us teach training materials for electricians and electrical inspectors.

JADE Learning is the largest provider of electrical continuing education courses in North Carolina. We have an immediate need for a talented individual who is passionate about in-person teaching and enjoys teaching a class full of electrical licensees.

### **Job requirements include:**

- 10 years' experience in the electrical trade as an electrician, contractor, and/or inspector.
- Current qualifications as an Electrical Inspector.
- Experience teaching in-person classes or training.
- Ability to travel within North Carolina.
- Proficient using Powerpoint.

We teach 22-35 in-person classroom courses each year. Classroom courses are generally 8-hours in length. We are looking for a single instructor or 2-4 instructors to teach those classes.

**Benefits include:** Teach just a few days a year! Compensation range of \$800-\$900 per class plus all travel-related expenses. JADE Learning provides the training materials and handouts. You provide the voice of experience.

**Start date:** We are looking for someone who would be willing to start by attending either our August 24<sup>th</sup>, 2017, or September 14<sup>th</sup>, 2017 class in Raleigh, NC.

If interested, please send your resume to Amy Bonilla, General Manager, at [ahbonilla@jadelearning.com](mailto:ahbonilla@jadelearning.com). For more details or information, you can also call Amy at 1-800-443-5233.
